"Kerri was amazing! From the day I met her, actually, messaged her, I felt I could just relax, be myself, and know my elopement would be perfect. She is so friendly, down-to-earth and accommodating! My wedding day was wonderful and more than I had hoped for. Kerri's property was an amazing place for our ceremony with so many photo opportunities!"

HOW CAN YOU GET IN TOUCH WITH ME?

READ ON TO FIND OUT!

Depending on the package you have chosen, I invest between 10 and 30 hours on your wedding. A lot of this is behind the scenes as you know. I respectfully ask that when you make an appointment with me, that you arrive on time, or make sure that you are available for our allocated call time in an area without interruptions, or, if you need to reschedule, that you let me know at the earliest time possible. I know life happens :)

How to get in touch with me?

- Let's schedule a call/video call so that I have your file in front of me. Your link is: <https://calendly.com/kerriwatkinscelebrant/callwithfavecouples>
- Email is preferred over text or DM so that I keep your information on hand at all times and don't miss vital information.
- Text or DM - I may respond via email.
- Carrier pigeon - I really don't care, if you need to get in touch with me, please do!!!

When can you get in touch with me?

- Sunday and Monday: This is family time - I get to fill my cup by catching up with my fambam, dating my hubby or ringing an old friend. Ok my friends aren't old... but you get what I mean.
- Tuesday to Thursday: Available by appointment between 4.30pm and 9.30pm.
- Friday: Available by appointment between 9.00am and 5.30pm.
- Saturday: Available by appointment between 9.00am and 11.30am.
- Exceptions can always be made, but the above schedule allows me to serve you as best as I can.

How long will you wait for a response?

- I endeavour to have all calls, texts, emails responded to within 24 to 48 hours, unless you schedule a call with me and then you have me straight away ;)
- Exceptions are if I am in an area without service - aka eloping on Moreton Island for the day/weekend.

Kerri has a bubbly, positive personality, is kind, funny, and has a warm heart. As a bride when you get to the 'alter' with all your butterflies in your tummy, Kerri will have the biggest happy smile on her face that is so welcoming. At the start of our ceremony, Kerri cracked a joke making everyone laugh, and gave us a huge motherly hug. We felt relaxed instantly. Kerri made everyone feel so comfortable with her ability to have everyone naturally laughing throughout the ceremony. Kerri is the type of person that when you first meet her, you feel like you've known her your whole life. We cannot recommend Kerri enough, there is no one else we would rather be our celebrant.
